-

M/s. Raasi Cement Limited filed this writ petition questioning the award of the Labour Court III, Hyderabad in I.D.No.238 of 1993 dated 01.08.1994. The second respondent is the petitioner in the said ID and the Labour Court by the said award modified the order of dismissal awarding compensation to the second respondent as the reinstatement is improper and the petitioner herein was directed to pay the compensation at the rate of one month's gross pay for every completed year of continuous total service to the credit of the second respondent herein besides payment of all terminal benefits entitled as per rules. The petitioner herein was also directed to make payments within one month of the publication of the award along with interest at 12% from the due date till realization.

It is stated that as the batta was not paid in spite of extending the time

the writ petition was dismissed for default of the petitioner against the second respondent by order dated 07.03.2003. As the writ petition has already been dismissed against the second respondent on 07.03.2003 the petitioner is not entitled to question the order of the Labour Court.

The writ petition is accordingly dismissed. No costs.
